

Rigid'Bar 3 et 6

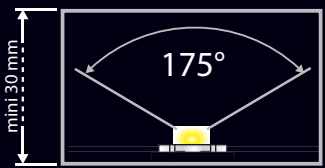

Led

Domino Sign Rigid'Bar is dedicated to the lighting of single-sided light boxes, even those with a very shallow depth, with diffused or opaque edges.

Use of a small quantity of modules:
the extra-flat diffusion lens coupled with a powerful luminous flux allows to offer a homogeneous rendering on an extremely important width!

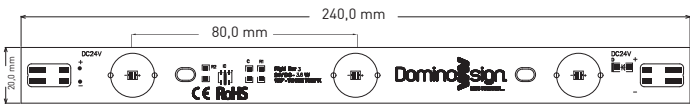

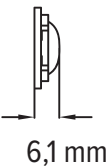

- Very low light box depth (3 cm)
- Angle: 165°.
- 4 year warranty
