

Edge Bar 3 and 6

Domino Sign Edge Bar is the solution for double-sided stretched canvas lighting or PMMA boxes.

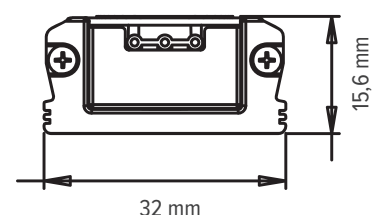

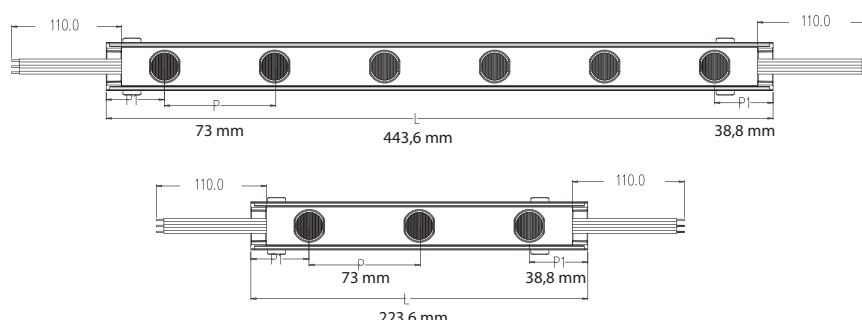

The intensity of the luminous flux as well as the narrow illumination angle offered by the diffusing lenses, allows a homogeneous and powerful illumination by positioning the Domino Sign Edge Bar on the periphery.

- ☒ Double-sided housing
- ☒ From 9 to 25 cm deep
- ☒ Light brush angle
- ☒ 6° x 90°
- ☒ 4-year warranty
