

Rigid'bar 3 and 6

Domino Sign Rigid'bar is dedicated to the lighting of single-sided boxes, even of very shallow depth, with diffusing or opaque edges.

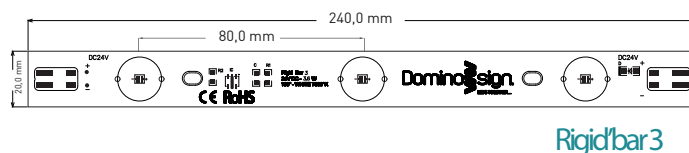

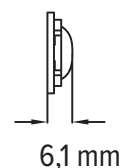

Use of a small number of modules: the extra-flat diffusion lens coupled with a powerful luminous flux makes it possible to offer a homogeneous rendering over an extremely large width!

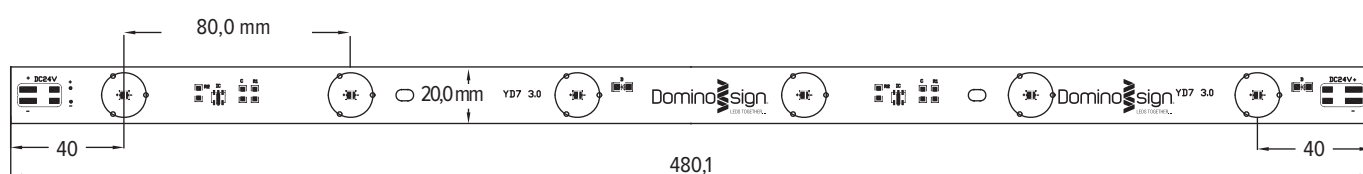

- ☒ **Very shallow cabinet depth (3 cm)**
- ☒ **Angle: 165°.**
- ☒ **4-year warranty**

Rigid'bar	3 blanc / white 7000 K	6 blanc / white 7000 K
