

Dmax HPW

A variation of our Dmax HP:
Dmax2 HPW and Dmax3 HPW with a new lens that creates a very wide angle and lower power consumption.

The same luminous flux as the Dmax HP but with a much larger angle for a perfect rendering with very low edge heights.

- Extra wide angle: 170°
- Brilliant light output
- Low power consumption
- Reduced centre-to-centre distance to save installation time
- Special «Black & white» design
- 8 years of warranty

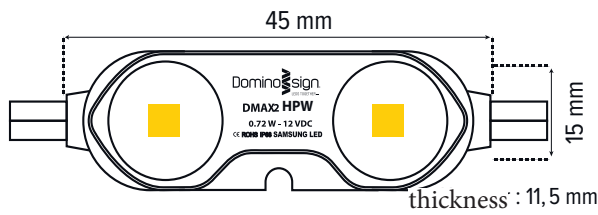

Dmax HPW

	Dmax2 HPW	Dmax3 HPW
