

PogoCaps+

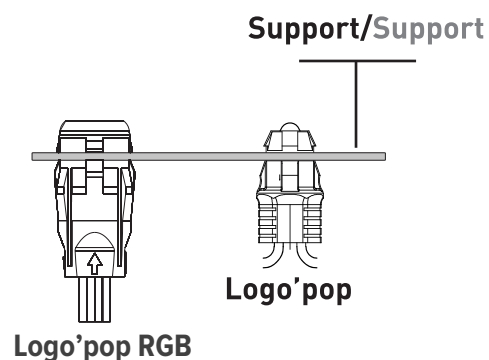

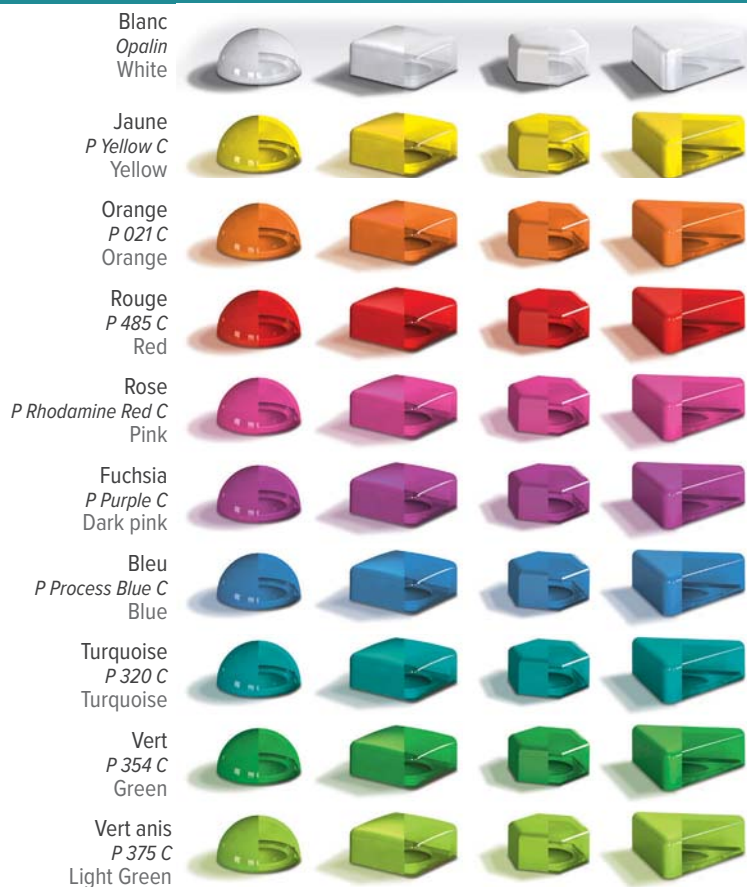

Logo'pop Logo'popRGB

New

Unlimited creativity for the light point.

The combination of Pogo Caps shells with Logo'pop LEDs allows you to choose from several shapes and colours of translucent or diffusing shells, from one to three modules per capsule, in order to vary the luminous intensities.

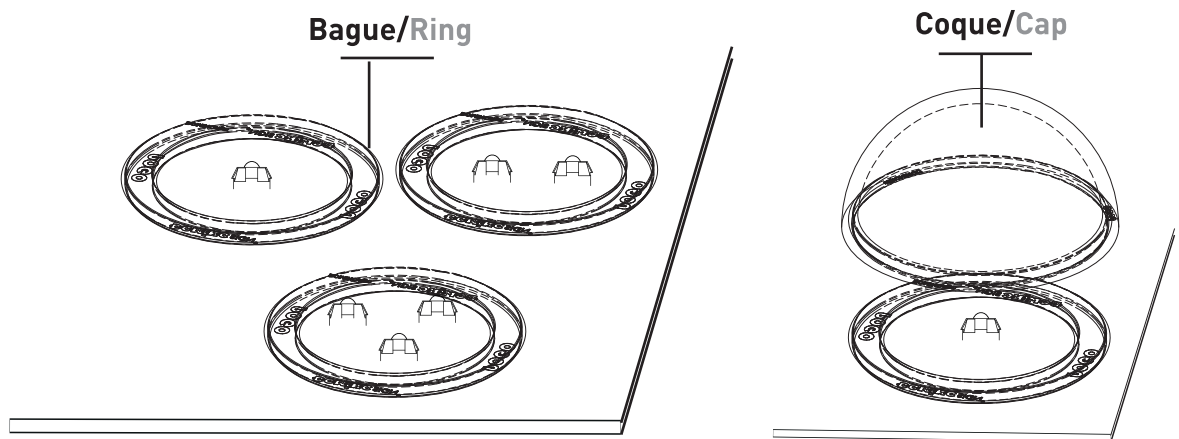

- ☒ Wide creativity:
- ☒ More than 30 color effects
- ☒ 4 shell shapes
- ☒ 2 shell textures
- ☒ High luminous flux
